Matvei Fatin Hong Kong is a totally amazing city and I am 100% glad I chose it as my exchange destination. I have enjoyed my exchange a lot, thanks to both amazing Hong Kong and the PolyU. Nevertheless, I was totally amazed by the campus and services provided: library, food, size of the campus, design, and so on. Classrooms are well equipped and look neat! Hung

Hong Kong is where the world gathers for business, arts, culture and innovation. It is right on the doorstep of Chinese Mainland and just a short flight from South-East Asia's most celebrated destinations. Hong Kong's buzzing metropolitan heart, breathtaking natural beauty and international culture represent well-balanced ancient traditions and modern life. We are proud to call Hong Kong the "Asia's World City".
